

Bones Fest XXI Registration Form

San Antonio, Texas on August 24-27, 2017

Dennis Riedesel is hosting Bones Fest XXI. He hosted Bones Fest XV in 2011.

Bones Fest XV that I hosted was dubbed the Performance Fest, however, I am working on making BFXXI the Vacation Fest. Here is a list of items for which I am working out the logistics. Some will happen and a lot are still pending, but I want to give you some planning ideas.

Downtown San Antonio is a tourist attraction so things may be a bit more expensive than the last several Bones Fests. I am trying to save you money so that the overall expenses will be somewhat comparable.

TENTATIVE SCHEDULE

FEST HOTEL

We will be staying and meeting at the Crockett Hotel which is across the street behind the Alamo compound and about 2-3 blocks from the famed San Antonio Riverwalk. The Crocket supposedly has a wonderful free breakfast buffet so save yourself some \$ if you forgo the expensive breakfast venues elsewhere. All our main Fest activities will occur at the hotel so you will not have to travel to other venues--other than some short walks.

--Room Reservations:

This direct link will send you to the Crockett Hotel's booking engine with BF XXI information pre-populated:

TRANSPORTATION

I will provide transportation between the airport and the hotel so:

- 1, Do not rent a car--save yourself that expense. Overnight parking is between \$25 to \$40 per day (There is no free parking anywhere in the downtown area!!) so save yourself that expense. Those of you who live close to San Antonio and will not fly, let me know and I will arrange for parking near my home and transport you into downtown.
2. Taxi, UBER, shuttle, etc., run between \$20-\$30 one way so save yourself some more money and ride with me.
3. My first priority is to get participants to and from the airport so depending on arrival and departure times, I may be able to transport to other tourist attractions beyond walking distances.

Will you bring recorded music to perform to? Yes ___ No ___

Would you be interesting in teaching a workshop? If so what topic _____.
